Pride. It can be infectious and dangerous. Very rarely does it stand alone – it breeds stubbornness, contempt, insolence, conceit, deception and arrogance. Its consequences can be disgrace, destruction and demise. It comes from inside our heart; racing to the surface – and serves as an obstacle between ourselves and others – between ourselves and God. Pride - it is an obstruction that we have allowed to grow uncontained; that restricts our growth.

Is it any wonder then, that as Orthodox Christians we begin our period of preparation for Great and Holy Lent, by addressing the stumbling block of pride? It is the first hurdle that we are confronted with on our journey back to God. On the first Sunday of a three-week period prior to the commencement of Great Lent the Church offers to us the parable of the Publican and the Pharisee (Luke 18: 9-14).

This is the story of two men, one a Pharisee, a highly respected member of a Jewish sect known for its diligent observance of the Law, and the other a Publican, a government official charged with the responsibility of collecting taxes. Both men enter the temple, and the Pharisee stands openly and prays, thanking God that he is not like other men, specifically extortioners, the unjust, adulterers, “or even this tax collector” (v. 11). He then begins to list his religious accomplishments by stating, “I fast twice a week, and I give tithes of all that I possess” (v. 12).

In direct contrast to the pride of the Pharisee, the Publican goes to a place where he will not be noticed by others and beats his breast saying, “God, be merciful to me a sinner!” (v. 13). Unlike the Pharisee, the tax collector shows, by his posture, an awareness of the state of his soul; standing far from the altar of sacrifice with eyes cast downward.

Having told this parable, Jesus affirms that it was the Publican who returned home justified and forgiven rather than the Pharisee. ‘Justified’ in this sense means forgiven and set right with God; for inward humility is blessed while pride in outward deeds is condemned. Jesus concludes the parable by stating: “For everyone who exalts himself will be humbled, and he who humbles himself will be exalted” (v. 14).

The theme of this parable is repentance. Repentance is the door through which we enter...
Lent, the starting point of the journey to Pascha. To repent signifies far more than self-pity or futile regret over things done in the past. The Greek term metanoia means ‘change of mind.’ To repent is to be renewed, to be transformed in our inward viewpoint, to attain a fresh way of looking at our relationship with God and with others. The fault of the Pharisee is that he has no desire to change his outlook; he is complacent, self-satisfied, and so he allows no place for God to act within him. The Gospel depicts him as a man that is pleased only with himself who thinks that he has complied with all of the requirements of religion. But in his pride, he has falsified the meaning of true religion and faith. He has reduced these to external observations, measuring his piety by the amount of money he gives.

The Publican, on the other hand, truly longs for a ‘change of mind.’ He humbles himself, and his humility justifies him before God. He acknowledges that he is a sinner, and he knows that salvation is only found in the mercy of God. Here we find an example of true humility, an essential aspect of repentance. This transformation can only happen when we humble ourselves before God and receive His grace into our lives. We must strike out the prideful thoughts of our heart and recognize how far we have strayed – how we have removed ourselves from God.

Our preparation for Lent begins with a prayer for humility, the beginning of true repentance. Through repentance, we can find and return to the true order of things. We can restore our spiritual vision that will help guide us in a very difficult and challenging world. By entering Great Lent in humility and repentance we can strive to attain deeper communion with God as we seek His forgiveness and find refuge in His loving embrace.

My Beloved Brothers and Sisters in Christ,

I pray this letter finds you and your parish family well during these final days of the Advent Season!

It is with great joy that I write this letter informing you that your Parish Priest and Presbytera, The Rev. Fr. Peter J. and Pres. Vangie will be one of two recipients for the Hellenic College Holy Cross Alumni of the Year Award which will take place on Thursday, May 7, 2020 immediately following Great Vespers.

This award is given during the Presidents Alumni Dinner, while we celebrate and honor the 10th, 25th and 50th Anniversary classes of that particular year. This year we will be recognizing the classes of 1970, 1995, and 2010.

As you know Fr. Peter and Pres. Vangie are a true couple of servitude! Upon finishing their studies (Fr. Peter HC ’89 SOT ’92, Pres. Vangie SOT ’93), though physically leaving the grounds, the school never left their hearts. Fr. Peter and Pres. Vangie are great mentors and role models and to current students and many alumni. During their ministry Fr. Peter and Pres. Vangie have been pillars of the church representing what Hellenic College Holy Cross is to all who come in contact with them. You know firsthand how dedicated they are to spreading the Good News and they have also encouraged many to follow their call from Almighty God and to help spread that message by taking up their cross and following the Lord.

I humbly ask that you announce and share this information to the faithful of the Saint Barbara Parish so they may offer their love and congratulations to their Parish Priest and Presbytera.

Praying that you have a Blessed Nativity and with love in the Lord,

Our Stewardship contributions are necessary to help maintain the ministries and programs of our parish. All of us have been mailed the 2020 Stewardship brochure that explains the importance of our participation from the time that we are 18 years old.

We are thankful to the following individuals who have pledged $166,070 towards our 2020 stewardship goal of $390,000.

If you have not yet made your stewardship pledge, we ask that you please call the Church Office or simply send in your Stewardship donation. Remember to give dedicated and sacrificial attention to your Stewardship donation, keeping an eye toward helping your church reach its Stewardship goal.

In preparation for the great opportunities that lie ahead in the life of this community, the Stewardship Committee is asking everyone to continue that trend and pitch in by increasing your pledge from last year at least 10% or $50, whichever is greater. As always, we are grateful for your love and support of our parish.

Thank you for your continued support.
